## Notice to clients

Your adviser is obliged by law to have a reasonable basis for making a securities recommendation. Your adviser must, therefore, base recommendations on a consideration of the information you give us about your investment objectives, financial situation and particular needs.

To help us fulfil this obligation, we ask that you provide certain information to us, either in writing or verbally. This Intermediary Client Investment Profile form sets out the sort of information that may assist us. This information will be kept in a secure and confidential manner. You should note, however, that in some circumstances we may be compelled by law to disclose certain information, for example, to the Australian Securities and Investments Commission (ASIC), the Australian Transaction Reports and Analysis Centre (AUSTRAC) or the Australian Taxation Office (ATO). For information regarding our privacy policy, please contact the Privacy Officer, JBWere, GPO Box 2050, Melbourne Vic 3001 or send an email to [jbwereprivacy@jbwere.com](mailto:jbwereprivacy@jbwere.com).

If you choose to provide this information, you should ensure that you tell your adviser about any changes that may be relevant when advice is given in the future.

You are, of course, free to refuse to provide some or all of this information. However, if you do so, we are required by law to warn you that we will not be able to comprehensively review your financial situation and we will therefore be limited in our ability to make appropriate recommendations. In these circumstances, you will need to assess the appropriateness of our recommendations relative to your needs before acting on them.
